ABOUT US

Shree Karnavati Overseas is a professionally managed import and export company specializing in fresh fruits, premium spices, quality grains, and agricultural products. We are committed to delivering farm-fresh quality and authentic produce to global markets through ethical sourcing and efficient supply chains.

By working closely with farmers, processors, and certified vendors, we ensure consistency, purity, and compliance with international standards. Our expertise in global logistics, documentation, and trade regulations allows us to offer seamless and reliable export solutions to our clients worldwide.

At Shree Karnavati Overseas, we aim to bridge Indian agriculture with international demand while supporting sustainable farming and long-term business relationships.
